

Serviced Office Space UK

Brackla Industrial Estate

Bridgend CF31 2AG

Located in the heart of Bridgend, a lively town in South Wales, this office offers a range of benefits for its tenants. Enjoy the historic charm and modern amenities of the town, such as the Princess of Wales Hospital and the McArthur Glenn shopping centre. Members will also find several supermarkets nearby, including Tesco, Asda, and Lidl. The office is well-connected by public transport and close to the M4 motorway, making it easy to travel to other parts of the country. In addition, the workspace has on-site parking spots available to facilitate tenants of the office space.

This workspace offers a state-of-the-art entry system and key cards. Work with peace of mind knowing that all spaces are covered by CCTV and have use of a manned reception during working hours. Whether members need a private office, a co-working space, or a meeting room, this workspace has it all. Enjoy the benefits of high-speed internet, air conditioning, and parking facilities. This workspace is the perfect place to grow the business and network with other professionals. This workspace is the perfect place to grow the business and network with other professionals. Members will have access to various events and workshops that will help members learn new skills and expand their network.
