Widnes WA8 7EA

Located in the heart of Widnes, our brand-new facility combines modern amenities with a warm, welcoming atmosphere, creating the perfect setting for businesses to thrive. Whether you're a freelancer, a start up, or a large corporation, we have flexible workspace solutions to meet your needs. From private offices and dedicated desks to co-working and virtual office services, we provide the flexibility to scale your space as your business grows. Our vibrant Business Centre offers easy access to major transportation routes, making it convenient for you and your clients to reach us. With ample parking and proximity to local amenities, including food outlets, shops, and entertainment options, Business Lodge Widnes is the perfect place to work, meet, and succeed. Our facility features state-of-the-art amenities to support your business needs. Enjoy high-speed internet, ergonomic furniture, and fully-equipped meeting rooms equipped with the latest technology. Need a break? Take advantage of our comfortable coffee points, where you can recharge and connect with like-minded professionals.

Our modern, flexible office space is located in a prominent position close to major motorway networks. All of our offices have individually controlled air conditioning, and all clients have secure 24-hour access to their office suites. The modern, welcoming offices provide a fantastic first impression for clients and create an excellent environment to do business. The building has ample, free car parking on-site for clients and their visitors. With the unique, community-focused approach, the clients benefit from a professional, friendly, working environment including chill-out zones, and an on-site gym (coming soon). The layout of the building is designed to incorporate a functional and fun communal break-out space where clients can meet up and will soon be able to grab a coffee and snacks from the Grab 'n' Go snack area. The building features high-spec serviced facilities and also provides virtual offices, meeting rooms and conference suites. There is a friendly, onsite support team dedicated to dealing with all client requirements. This centre has a cutting-edge infrastructure, with auto-failover for added resilience and the VoIP telephone system is continually updated to be able to cater to all client requirements.
