## 33 King St

### Blackburn BB2 2DH

Easily network with others from surrounding areas – Blackburn Train Station is conveniently located just an eight-minute walk away. From there, trains to Manchester typically take around 50 minutes, providing seamless access to the bustling city. For travellers, Manchester Airport is also easily reachable, situated approximately 49km away. After a productive day, take the opportunity to unwind and recharge amidst the natural beauty of the Lancashire hills with a leisurely scenic stroll. Alternatively, for those seeking an active way to decompress, a nearby gym, merely 1.9km away, offers the perfect setting to engage in a workout session. Whether you prefer to soak in the tranquillity of nature or invigorate your senses with physical activity, the options for relaxation and recreation are plentiful in the vicinity.

Revamp business strategy by delving into new plans within Blackburn-based office space – King Court. With cleaning, utilities, and security expertly managed by the on-site support team, allocate more time to focus on projects, meetings, and administrative tasks in a dedicated office. Tailor workspace to align with business requirements, curating an environment that authentically embodies brand identity, thereby making a lasting impression on prospective partners and clients alike. Forge robust reputation within target market as secure brand-new office space in Lancashire’s second-largest town. Begin each day on the right note with a warm welcome from a friendly reception team upon entering King Court. Then, seamlessly transition into work mode by connecting to business-grade WiFi and diving into tasks. Fuel productivity with revitalizing coffee from the communal kitchen before settling into an open-plan coworking area. Here, the flexibility to choose between a dedicated desk or hot-desk setup ensures working in a manner that best suits preferences.
