

Serviced Office Space UK

Glasgow G2 2LB

This business centre occupies a prominent location at the junction of West George Street and Hope Street within Glasgow's traditional central business district. The building, whilst occupying an extremely central location, is accessible to the motorway immediately to the west of the city centre, which provides a direct link to Glasgow International Airport. Glasgow City centre is a bustling place, with no shortage of places to grab a drink or something to eat, as well as indulge in some retail therapy.

This impressive property has been redeveloped to create seven-floors worth of office space. This established multi-let office building offers flexibility to occupiers, and the suites benefit from a range of specifications, including a fully raised access floor, perimeter trunking, acoustic tiled suspended ceiling, three passenger lifts, and a flexible internal layout. The property also has the advantage of a secure door entry system and kitchen area on each floor. Lease terms are very flexible. These office spaces are provided with car parking facilities, the latest technology and a full range of other services.
