The park is only 700 yards from the nearest station, while the A206 is a major bus route with stops directly outside. A parade of shops is located just 300 yards away and Crayford centre, with its restaurants, shops and other amenities, is under a mile away. This centre offers a variety of modern, well-presented offices and workshops suitable for companies at any stage of their business development but offered at budget prices and with flexible lease terms. The centre's inclusive packages mean that tenants pay a one-off monthly all inclusive charge leaving the client to concentrate on running a successful business without the extra hassle of worrying about facilities management and the ever increasing costs that come with that. The building has a solar panel array on the roof plus EV charging points and a recycling centre meaning Texcel and by extension our tenants take our responsibilities to the planet seriously.
