

Serviced Office Space UK

Perth (Scotland) PH1 3DZ

Situated on a popular business park in Perth. Perth train station is less than 2 miles away and this centre is easily accessible by road.

Taking a suite within this centre allows you to move in and start to manage your business immediately, without the capital expenditure usually needed to set up a business. Most of all, serviced offices provide you with an 'all-in' cost, which is much easier and professional when putting together a business plan for presentation to financial backers.
