

Serviced Office Space UK

Plymouth PL7 5JY

This Centre is immediately located off the A38, and well served by a regular bus service providing an excellent location for you and your clients. If you're not ready for a full-blown office solution, a business address facility is also available to heighten your business image for a fraction of the price.

This innovative, contemporary property features an impressive façade with extensive glazing, which offers an abundance of natural light, creating a working environment that is bright and welcoming. The workspaces are furnished as standard and benefit from exceptional quality fixtures and fittings. The layout also incorporates several meeting rooms available for internal and external bookings, a comfortable breakout space, shared kitchen amenities and a staffed reception providing professional administrative support and postal facilities on request. Offices come with a standard of high-speed broadband, and you can have the extra benefit of a telephone handset line and/or a call handling service for a slight price increase.
