

Serviced Office Space UK

Perth (Scotland) PH2 8DF

This is an ideal location, offering easy access to all major routes and 5 minutes' drive to the city centre. Tesco, a petrol station and cafés are all nearby. Secure offices with 24-hour access just a stone's throw away from the River Tay. With parking onsite for staff and visitors and secure access to give your business a professional space. With excellent rates per sq ft and staff available on-site during working hours.

These are spacious self-contained office suites, ideal for tenants looking for a greater degree of independence rather than being located within a business centre. Some of the offices have been subdivided to contain two offices. Secure offices with 24-hour access just a stone's throw away from the River Tay. With parking onsite for staff and visitors and secure access to give your business a professional space. With excellent rates per sq ft and staff available on-site during working hours.
