## Sheffield S1 2GU

Sheffield is a vibrant business location with creative and digital industries among the fastest growing sectors. It also excels in advanced engineering and manufacturing, has a high growth professional services industry and is home to healthcare innovators. Other strengths include its people and skills, with 21,000 graduates coming out of its two leading Universities each year. The business centre is also close to the M1, providing excellent transport links with the rest of the UK, and Sheffield railway station has excellent connections.

With West Street, City Hall and Cathedral tram stations are all within a 5-10 minute walk, this business centre in Sheffield's city centre benefits from being easy to access, as well as a quality professional address. The red brick building with its modern frontage has been refurbished internally and externally, and is a well-known business address locally. Sheffield is a vibrant business location with creative and digital industries among the fastest growing sectors. It's located in an area that boasts plenty of amenities and existing tenants in the building include government bodies and a global law firm, as well as a city development company. This centre offers all-inclusive pricing, so you can move in with peace of mind that there will be no unexpected costs each month.
