

Serviced Office Space UK

Stroud GL10 3SL

The building is located in a quiet hamlet near Stonehouse within a mile of junction 13 of the M5. A rural yet accessible location offering a pleasant working environment in quiet attractive surroundings with ample parking. The outlook is greenfields with external seating provided.

The development comprises forty-one individual office suites, which are new and/or refurbished farm buildings, combining authentic charm with a very high modern office specification. All suites are fully decorated and carpeted to a high standard, each has a self-contained kitchen and WC facilities and include air-conditioning as standard. A generous provision of data, telecom and power sockets run in the trunking around each suite. The suites have interlinking doors and can be combined to meet occupier's needs. There is ample parking on-site providing convenience to its members.
