

Serviced Office Space UK

256-260 Old Street

London EC1V 9DD

Located in the heart of thriving Shoreditch, close to Shoreditch High Street and Old Street stations, the centre is well connected. A triangle of influences have made Shoreditch into one of London's most distinctive and unusual areas. To the East, Bangla-town and Brick Lane - London's celebrated curry mile - are a riot of smells and colours from the Indian sub-continent. In the West, the looming towers of Liverpool Street and the City represent the world's most concentrated area of money-making talent.

This centre is hard to miss. Looming over Old Street roundabout just as you turn left into Shoreditch, the building is a 40-yard stone's throw to the tube station. If you know the building you'll know that the blue framing is certainly striking, but don't worry - isn't staying,. The steel façade hides an amazing original 1930s warehouse, and the owners felt their duty to return to his original character. There will be a mixture of private offices, ClubRooms (coworking space), meeting and conferencing rooms for up to 100 people, as well as a bar, fitness studio, showers and bike storage.
