

# Serviced Office Space UK

## 2 Stephen Street

London W1T 1AN

This business centre lies in the heart of Central London. The building is nestled behind Tottenham Court Road, close to the bars, restaurants and hotels of popular Rathbone Place and Charlotte Street. The nearest tube is barely two minutes away at the junction of Tottenham Court Road and Oxford Street, so the space is well connected. Situated at the heart of the West End, it offers your clients endless opportunities for after work entertainment and retail therapy lining nearby Oxford Street and Soho.

The entrance to the building is just off the main street in a building that has just been fully refurbished with a stunning re-design of the building, with particular emphasis on the ground floor, articulated with a blade and ribbon concept (you have to go there to get it). With private offices, meeting rooms, a large co-working lounge and virtual office facilities, there is every way of working offered here. There is also air conditioning, creating a comfortable space in which to work, which is accessible at all times. Showers are on-site, and there are bike storage facilities for those cycling.
