

Serviced Office Space UK

Pass Street

Oldham OL9 6HZ

Bespoke office provider situated just outside of the centre of Oldham (just off Manchester Road) and with good access to the M60 Motorway, the new Tram line and local bus routes.

Offers serviced Office Accommodation and has a number of Suites currently available which would suit your needs. It prides itself on the adaptability of space and offers a bespoke service in terms of office design and layout when necessary. It can provide furniture and technology to suit your individual needs and have full Broadband, CAT 5 and Wireless connectivity in all offices. There is a multi-line phone system to ensure that when you need to make and receive calls lines are always available. As well as on site car parking, there is plenty of on street parking outside the Business Centre. For tenants that require meetings, conferences or training, we have two rooms available for use as and when required. There is currently a price match policy to ensure that they are as keenly priced as their competitors and are confident that they can provide a quote that fits within your budget.
