

# Serviced Office Space UK

## Ford Street

Derby DE1 1EE

The centre is in a bustling city. This sought-after location is an ideal spot for businesses seeking an advantageous hub. This office space is on the River Derwent in Derbyshire, England. The City Centre has a compact and walkable layout, with many casual cafes, cosy pubs, and trendy restaurants near the cathedral, providing a haven for productivity, being well-connected to various transport links such as metros, trains, and buses, making it easy to access from any direction. It is a great location, catering to travellers, with international airports and after-work moments of relaxation catered through parks and nightlife. This location is a winner regarding amenities and infrastructure for any team looking to succeed.

Superfast connectivity, phone line and voicemail, and 24/7 access are some of the features of this workspace. Enjoy hot drinks and delicious food at the on-site cafe at selected locations. The reception services team greets guests. The workspace has access to meeting rooms with digital screens and WiFi. The postal service handles mail and parcels at reception. The business support services team offers support and mentoring. The workspace has showers, bike storage, and an intruder alarm for convenience and security. Spacious, fully-furnished offices offer a team somewhere to work comfortably, where members can move in and get started - no need for time wasted setting up various desks.
