

Serviced Office Space UK

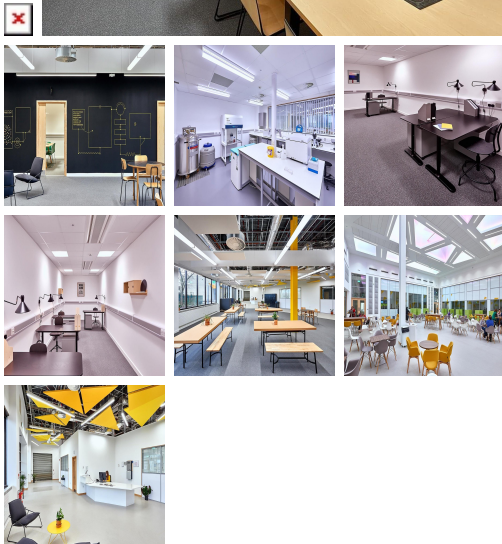

Filton Road

Stoke Gifford BS34 8RB

Located alongside Bristol Robotics Laboratory on the UWE Bristol's Frenchay Campus. Bristol Airport is located 11 miles away from the centre, Filton Abbey Wood train station 0.5 miles away and the M32, 3 miles away. The Centre allows close connection to the city and other surrounding areas.

This workspace will offer office, lab, meeting and co-working areas for companies specialising in robotics, life sciences, medical health and other high tech sectors. The Centre is designed to accommodate companies throughout various stages of growth. On tap business support, coaching, access to research and shared knowledge - tools for a smaller world. Located alongside Bristol Robotics Laboratory on the UWE Bristol's Frenchay Campus.
