

Serviced Office Space UK

3-5 Dunston Road

London E8 4EH

Clients of this Dunston Road workspace will be conveniently located only a minute's walk from the Haggerston Overground Station. The area's location in Hackney has made it very popular with a number of companies in the creative industries. Hoxton and Shoreditch are both very close by. The nearby environment is well supplied with shops and amenities, ideal for time spent away from the office. For transport further afield, London City Airport is only six miles away and in ideal proximity for frequent flyers.

These bright and modern offices for hire in Haggerston have been finished to a high standard. Rental terms are flexible and can make optional provisions for a range of your facility needs. Double height and daylight fluorescent lighting to make working more comfortable. Studios have been fitted with several security features. These include an alarmed 5 point deadlock mechanism and exit release button. All tenants at this business space can acquire access to broadband at their request. However, BT points are available in all studios should tenants wish to install their own phones or internet. The property features a communal kitchen with an ample utilities and appliances. If required, features such as telecoms and video conferencing gear can be supplied.
