## 22 Montrose Street

### Glasgow G1 1RE

A friendly and beautiful space in the Merchant City, placing tenants and their team in a well-connected and easily accessible location. The centre is located just a five-minute walk away from Queen Street station and less than 10 minutes from Central. Buses pass through the area frequently. NCP Car Park is located just two minutes away on foot. This centre has fantastic transport links. This is one of the coolest places in the city, there are lots of bars and restaurants nearby. In Merchant City, designer boutiques and stylish cafes fill former warehouses on Ingram Street.

A friendly and beautiful space that spans over two floors, with three different work areas and 10 meeting rooms, from phone booths up to a 20-person training room. Membership is all-inclusive giving guaranteed desk time but also access to meeting rooms free of charge. As well as a high-speed wireless internet connection and printer onsite, this space also includes free local tea and coffee, pastries delivered every day, breakfast, snacks, and a fruit basket. In addition, members have unlimited 24/7 access to the building so that they can work outside of traditional business hours. Every detail at this location has been carefully considered so that clients can feel at home, at work.
