

Serviced Office Space UK

Oxford OX4 1JE

Being based on the diverse and vibrant Cowley Road allows tenants to benefit from the great choice of local pubs and cafés nearby while remaining close to bus and train links, Oxford City Centre, and the M40 motorway. The centre is full of charities, social enterprises, and social businesses so this will find a community of like-minded people within the centre. In addition, the centre arranges bike storage for clients. Fantastic transport links is available due to the central location of this space. Also, parking is available for convenience.

The building itself has always had community at in his heart. Originally built in 1898 as a public hall, library and three shops, and since been a music hall, theatre and cinema and home to Blackwell's Book Shop. Today and being the space Company's Head Office, almost 40 other fantastic organisations work within the varied and atmospheric offices - mainly charities, social enterprises, and small local businesses. The centre has a beautiful office, desk space and co-working space in a flexible term. This space offers fully serviced offices with 24/7 access with amenities such as high-speed internet, printer, meeting rooms, showers and kitchen. Furthermore, the building is accessible and has a passenger lift.
