

# Serviced Office Space UK

## Bull Street

### Birmingham B4 6AF

This centre is positioned in the heart of Birmingham city centre, close to many central amenities including The Square Shopping Centre, Waitrose supermarket and a variety of bars and restaurants. There are also museums, art galleries and Cathedral Square churchyard which are in the nearby vicinity and are great places to visit on a lunch break or after work for a spot of culture. The centre has excellent transport links both around the city centre and into and out of Birmingham centre which is great for those who commute. There are a choice of bus stops which are located just a couple of minutes' walk from the centre along with train links from Birmingham Snow Hill, Moor Street and New Street train stations which are all within walking distance. St. Chad's tram stop is a 6-minute walk away and Birmingham airport is just 6.7-miles from the office which is beneficial for clients who may need to travel via plane for business trips. There are a whole host of public transport options along with city centre car parking and amenities which make this office an excellent place to base your company from.

Fantastic new serviced and co-working office space located in a fully refurbished historic 19th Century department store. This is an excellent space for a range of different businesses ranging from start up to established. The space boasts character charm from Victorian architecture to stone brickwork and arches which all contributing to the historical, yet modern feel the space has. The centre has four meeting rooms along with high speed WiFi which allows tenants to work effectively and to hold meetings and interviews in a quiet space. The centre has a welcoming reception area and team who are always happy to help and direct clients in the right direction. The centre is accessible 24-hours per day and has CCTV in operation to ensure that you can work securely. Other benefits include central heating and air conditioning along with barista-made coffee to get you through the working day!
