

Serviced Office Space UK

Summer Lane

Barnsley S70 2NZ

This centre is based in a convenient location just five minutes' walk away from Barnsley town centre – on the doorstep of the any eateries and retail stores the town has to offer. It also benefits from great transport options. It is just a one-minute drive before you are on the A628 road which leads you onto the M1 motorway within a couple of minutes' drive. Nearby destinations such as Sheffield, Wakefield and Leeds are all easily accessible and less than 30-minutes drive. In addition to the multitude of road links, the centre is just a 14-minute walk to Barnsley's train station, which allows for tenants to get to other major cities quickly.

This centre offers a unique experience to spend your workday in a piece of history. Based in a 19th century quilt factory, this centre has been rebirthed as contemporary office space. Covering five floors, these spectacular suites are bright and spacious and have been recently refurbished. With Barnsley experiencing a boom of regeneration at this time, the opportunity to set up home in this historic building should be enticing for any business or brand looking to grow. This centre boasts a number of amenities, with the highlight being full concierge and reception service for all tenants. The concierge service will collect and distribute all mail to take the burden off tenants. Tenants can also access the centre outside of office hours, and benefit from a wealth of parking nearby.
