Ilford IG11XG

Ilford is one of the major metropolitan centres of East London and has a vast number of businesses, different cultures and excellent transport routes. Connections to London are frequent and the journey into central London can be done in just thirty minutes. The centre is close to a number of key bus routes and is also not far from Seven Kings station. Both Heathrow and Gatwick Airport's are an hour's commute away, offering the chance for international travel and great business networking opportunities.

A newly designed centre that offers the chance for developing businesses to truly establish themselves in a London environment. Situated in a high street the location has the benefit of being close to numerous people and the advantage of passers by so advertising any business services is possible. The centre is accessible 24 hours a day so very suitable for those who work long hours or have to communicate with international time zones. A well sized kitchen reduces the time spent queuing at lunch and the centre is regularly cleaned. High speed WIFI is available and helps your business maintain good speeds and connectivity rates. Bills are inclusive of the monthly price which is one of the most affordable in the area.
