

Serviced Office Space UK

Mill Bay

Folkestone CT20 1JR

This business centre is located in Folkestone, just 15-minutes walk from the town's Central Railway Station. Folkestone station provides access to central London in just 55 minutes, perfect for any business meetings you may have in the Capital. The centre is also in the heart of Folkestone's Creative Quarter - a fantastic urban village filled with creatives such as film makers, designers and artists. The area's intimate environment makes it a great area for networking and it boasts a collaborative spirit.

This centre offers a range of membership options - from hot desk options to private serviced offices. A great environment for innovators or start-ups in the technology industry, the centre has a wealth of amenities on offer. Tenants will enjoy bespoke furnishings, communal breakout spaces and a staffed reception available to handle any queries. The centre also boasts a lovely outside courtyard area. Membership will entitle you to superfast WiFi, free refreshments, meeting rooms that are accessible 24/7, parking, cycle storage, private phone booths and a postal address. The centre offers both serviced office and coworking options. For those seeking serviced offices, they range from 86sqft up to 1200 sqft and are available on a flexible lease. With all the aforementioned amenities on offer, the space is ready to go from day one - ideal for start-ups and smaller businesses. For those wanting hot-desking or co-working membership, the workspace includes a bespoke desk, chair and lamp. Secure lockers are also included.
