

# Serviced Office Space UK

---

## York YO1 9WP

This fantastic work centre is perfectly located in the heart of York City Centre. The work centre is very accessible, York Train Station is located a short twelve minute walk from the office space and has excellent and fast connections nationwide. The office space is situated amongst many great local amenities, there are numerous restaurants, bars, cafes and shops. There are also many cultural and entertainment activities, both Jorvik Viking Centre and the York Dungeons are located within walking distance.

This excellent office space provides practical and spacious serviced office space. The business centre is situated in the heart of York's City Centre and has many excellent amenities on the doorstep, not to mention the fantastic rail links located within walking distance. The building comes equipped with great facilities, such as a communal fully functioning kitchen, separate male and female toilet facilities and super-fast broadband. There is also the option to have telephone services, at an additional charge. With many great restaurants, cafes and bars in close proximity to the work space, it offers a fantastic place to base and grow your business.
