

# Serviced Office Space UK

---

## 20-23 Woodside Place

Glasgow G3 7QL

This work centre is perfectly located in the vibrant city centre of Glasgow. The office building is within easy reach of great transport links. Charing Cross Train Station is only a seven minute walk away and Woodside Crescent Bus Station is at the end of the road. This allows tenants to be very well connected to surrounding areas. There are many fantastic restaurants, bars and cafes on the doorstep of the work space. Also within walking distance are a selection of cultural things to do, such as a visit to the Tenement House Museum.

This listing offers excellent office space in an inspiring Edwardian town house. The converted town house is fitted out with simple, modern and high quality office furnishings. The building has beautiful original features, giving the workspace plenty of character. This work centre offers a variety of solutions to meet the needs of your growing business, from private serviced office to co-working spaces, this office building has it all. The work centre also provides access to a selection of meeting rooms, perfect for private conversations or more formal meetings. Situated in the city centre of Glasgow, there are many great transport links and local amenities on the doorstep.
