Buses pass through the area frequently. The nearest bus stop, Great Underbank, can be reached in just two-minutes on foot. Alternatively, parking is available a short three-minute walk away.

Stockport's coolest co-working space for new and existing technology led creative businesses. Dedicated offices are suitable for small businesses between 4 and 12 staff members. Resident desks are perfect for new startups and freelancers keen for somewhere to call home. Hot desks are also available for those needing a solid regular place to work. This ultra-modern office space features rapid WiFi access, meeting rooms, breakout space, kitchens, phone booth, showers, bicycle racks, air conditioning, comfortable seating and free tea and coffee.
