## Bristol BS1 3LG

As a City that offers an inclusive culture, a hotbed of creativity and strong green credentials, it is easy to see why Bristol was chosen as the launchpad for this new brand. Just 10 minutes' walk from Bristol Temple Meads, adjacent to the busy shops and eateries of Cabot Circus, the area is perfect for a spot of retail therapy or socialising after a day in the office.

This inspiring workspace is at the heart of vibrant Bristol, where technology meets art. Sited next to Cabot Circus, on the bustling Northern side of the City, the building offers a picture-friendly style, with a modern take that is both ethical and sustainable by design. Offering private offices for up to 150 employees, part-time offices, dedicated desks, day passes and meeting rooms, this location has a product to suit every business type - an environment worth leaving home for. With a focus on social cohesion and interaction, the location offers over 2,000 sq ft of breakout space, with hosted events and a real community feel. Occupiers have access to the onsite café, showers, changing rooms, ample bike storage and green outside spaces in the summer months.
