

Serviced Office Space UK

Bevin Way

London WC1X 9HD

This former Victorian industrial warehouse property is situated within a private courtyard, that is just off Cruikshank Street and well located between King's Cross and Islington's Upper Street, where there are many cool bars, restaurants, and shops. There are many transportation links that can be used for easy daily commute. For example, nearby underground stations include Angel, King's Cross Street Pancras Underground Station, and Victoria Station. Nearby train station include St Pancras International and airport include London City Airport.

Looking for an office space that is both stylish and spacious? Then look no further than this fabulous business centre! The premises are self-contained and boast a generous floor-to-ceiling height with an impressive pitched roof, making this the perfect place to conduct business in comfort. The exposed air conditioning and fresh air system not only provides necessary heating and cooling capabilities but is also an aesthetically pleasing interior feature within the room not only practical but also adds a touch of luxury to the space. Additionally, the internal street-facing front door allows for easy access and makes this office space highly visible and convenient. So for clients searching for an office space that is both modern and practical, this is the perfect option!
