## London EC2M 3AB

The environs of Bishopsgate, located in the heart of London's financial district, are a bustling hub of commerce and culture. This area offers a dynamic blend of skyscrapers, historic landmarks, and cultural institutions. Transportation options are abundant, with Liverpool Street Station providing extensive rail links to various destinations, while numerous bus routes and underground stations ensure seamless connectivity throughout the city. Within walking distance, one can explore renowned shopping districts, theaters, and a rich array of dining options, making Bishopsgate an attractive destination for business and leisure alike.

Designed by Skidmore, Owings & Merrill, The Broadgate Tower stands at 540 feet (165 metres) with 35 levels, ranking it among London's tallest structures and is currently the tallest building on the Broadgate Campus. It offers expansive views across the capital. Grab a laptop and work at members' own pace in comfortable shared spaces. A lovely period building in one of the most desirable private gated streets in London and has a variety of offices available. From the impact of an iconic building to an office that is stylish and sophisticated, the space understands the power of making the right impression. The workspace has hand-selected the world's most exclusive places to work, inspire and impress.
