

Serviced Office Space UK

Glasgow G2 5RL

This workspace occupies a prominent position in the heart of Glasgow. The space is within touching distance of the city's central retail districts. The centre offers various transport links; the city's major rail stations - Central Station and Queen Street Station are within a minute's walking distance, with the Buchanan subway a stone through. The M8 motorway is also only 2 minutes away. The location is excellent for leisure since it is surrounded by some of the best bars, restaurants, shops and stores.

This business centre is a stunning traditional workspace which provides a corporate feel for the SME market, accessible from the street level. The centre spans four floors of office space and break-out areas with an established, stylish feel and a unique geometric lighting design. Benefits include free on-site meeting rooms, no set-up fee, chat booths, kitchens offering free gourmet coffees/hot drinks, and free gym and health suite facilities fully equipped with a sauna, steam room and hot tub. This vibrant, innovative space benefits even further from the on-site community managers who deliver an excellent level of hospitality, swiftly and professionally looking after the needs of each client and visiting clients impressing anyone who walks through the door.
