

3 Redwood Crescent

Glasgow G74 5PR

This workspace offers clients a range of convenience and potential for leisure activities. It is an ideal hub for all forms of public transport, including major bus routes, train stations and airports. The Hairmyres train station and Redwood drive bus station can be reached within a few minutes of drive from the workspace; Glasgow Airport, which caters to international visitors, lies only 10 miles from the workspace. Wherever clients come from, it is easy to get to this centre for work or leisure purposes.

This centre offers 24-hour access to high-end private offices, coworking spaces and break-out areas tailored for ultimate efficiency. All members can take advantage of the lightning-fast internet, printing and scanning services and well-equipped kitchen, providing a premier business experience. The inviting interiors have been professionally designed to create a modern ambience that will bolster any company's professional image. Offering 24-hour access, an inspiring environment and all the amenities necessary for businesses to advance their success, this centre is the perfect location to achieve the maximum productive effectiveness possible.
