

# Serviced Office Space UK

---

## 34-38 Guildhall Road

### Northampton NN1 1EW

Nestled in the centre of town at the heart of Northampton's newly enhanced cultural quarter and enterprise zone, this business centre is a hotbed of innovation, designed to support creatives and build community. In addition, this office is near to public transport, so getting around is a breeze for all the members. Plus, all sorts of transportation are available within 20 meters, including motorway junctions, train stations, and airports. So whether commuting to work or travelling for business, all the members will find this location to be perfect.

Ultrafast broadband, events and networking and inspiring break-out spaces are just some of the incredible features available in this wonderful workspace. Not only can business owners benefit from having a fully hosted reception and comfortable meeting rooms, but can also make use of conference facilities, showers and changing rooms as well as lockable bike stores. All these features combined create an ideal workspace for those wanting to experience the best in modern business growth support and for those looking to foster creativity, innovation and collaboration.
